

AT HIGH ALTITUDE
the golf ball travels farther.
THAT'S FARTHER, NOT STRAIGHTER.

Golf is never the same game twice. Of course the difference of each experience depends on where you're playing. That's why more and more golfers are coming to Albuquerque. Both *Golf Digest* and *Golf Magazine* have ranked several of our public courses among the best in the country for good reason. Our forested mountains, lush river valleys, and a high desert plain combine to make central New Mexico a

dream come true for golf course designers. From desert links, to parkland, to mountain courses, we offer arguably the most diverse golf experience available in one area. We're also home to the only 5-star ranked course in the Southwest. Combine our varied golf experiences with a historic blend of Native American, Hispanic and Western cultures, and it's easy to see why a golf vacation in Albuquerque is simply unique from any other.
